I think Alan was starting on some language yesterday, so definitely check in with him before spending much time on this.

Anne, could you ask someone on the press team to take the lead on this inquiry that came into Kurt? Ronna is pretty familiar with the issue and can probably help with a statement.

Good morning,

I'm reaching out to see if you or your office has a response to a [letter](#) sent from Sen. Durbin and Sen. Duckworth calling for the EPA to conduct an investigation on recent flooding issues in Centreville, Illinois. The letter was sent yesterday afternoon and directly mentions you, so I'm wondering if you had any comment on that and your thoughts about the sewage issues in the area in general.

Are you available for a brief phone interview this week? Let me know what works best for you.

Thank you,
DeAsia Paige
